Rensizzle: Photography NYC

Life in NYC

Our Rensizzle group had planned a trip to go to the high line. We had lots of fun taking pictures and exploring new things.

Pretty Photos

We enjoyed being "pro photographers" for a day!

The View

There were many pretty views of water,streets and land. :3

This is a view of water

Beauty

Everything was so beautiful. We all felt like we were in Wonderland. We were all just amazed. We all had lots of fun this trip/day. :)

The View 3

This a beautiful view of the city.

There were many beautiful buildings throughout the whole bridge.

The View 2

A view of the green land.

There were many pretty gardens at the high line. Beautiful flowers, grass, and there was pretty cover art.
